

Finding UConn Health Policies

Scenario:

Katie is a new employee at UConn Health. She has received an orientation and is eager to work as independently as possible once she knows the ropes a bit better. One thing that continually comes up is how to find resources that might guide her actions or answer a question as to UConn Health procedures. Katie is aware that her supervisor and co-workers are always available to assist her, but she wants to learn how to access information on her own and to be familiar with policies. Is there a central repository for UConn Health policies and procedures?

Answer:

There is a central repository for UConn Health policies which can be found at this link <http://www.policies.uchc.edu/>. These policies are intended to provide standards for the management of workplace issues that cross all entities of UConn Health. Policies may be accessed through the alphabetical listing or through the index within each specific area. Please note that the specific area for John Dempsey Hospital is further divided into administrative and clinical policies. Clicking on these links will direct you to the appropriate policies within these domains of UConn Health. Other specific categories of policies include: Correctional Managed Health Care (CMHC), Finance and Purchasing, HIPAA Privacy and Security, Human Resources, Information Technology, Office of Diversity and Equity, Research and Sponsored Programs, School of Dental Medicine and School of Medicine, and UConn Medical Group.
